Kids who aren't afraid of the news are more likely to grow up to be informed, compassionate and active citizens.

Child, parent and teacher-approved, now reaching tens of thousands of homes and classrooms all over the world.

Carefully written for the interest and informational value to 8-13 year olds. We are developing our listeners into critical thinkers who look beyond partisan headlines and clickbait, ask questions, and question answers.

We have our morning meeting daily discussing the most interesting topics on Kidnuz. I overheard them talking in the hallways too. They are thinking deeper and challenging one another.
